

SHORECLIFF'S WOMEN'S GOLF CLUB
GENERAL MEETING MINUTES
JUNE 5, 2014

Board members present:

President, Patrice King; Vice President, Val Mitchell; Secretary, Jill Cagle; Tournament, Cheryl Waters; Membership, Marilyn Small.

PRESIDENT: Patrice called the meeting to order at 8:00 a.m.

NEW BUSINESS: Patrice reported that the club would like to establish a substitute list for the desk monthly chair. Members agreed.

The position of Treasurer has been assigned to Mary Willenborg for the remainder of 2014. Anne Greenwood is no longer able to fulfill the position.

Mary Willenborg, Rules Chair, reported on the ruling regarding the drop zone on hole number 16. It may not be used when playing club on Thursday. If the ball goes out of bounds @ tee off, it must be teed again from the tee box.

The rule regarding cart path relief is as follows: If your ball is on the cart path you must first determine the nearest point of relief. It is best to leave the ball on the cart path and take the club that you would most likely use for your next shot and step off the cart path on one side and take a stance with that club and mark it. Then go to the other side of the cart path and take a stance with that same club and mark that. You then measure from the ball to the mark on both sides and determine which is closer. Once that has been determined, you step off the cart path on the side, which is the nearest point of relief and lay down any club, which you would like to use to measure your "one club length" and mark it. Once you mark the spot, hold the ball at shoulder length facing the target and drop it between the cart path and the marker. The ball can roll up to 2 club lengths beyond the marked spot but no closer to the hole.

SWGC needs a local rule regarding distance-measuring devices. It was voted that we could use distance-measuring devices, including iphones that only give the player the distance and no additional information affecting their play

VICE PRESIDENT: Val thanked those who participated in the Club Championship. She thanked Peggy Kapuzky for bringing goodies. The next tournament will be in September. Val is recovering the chairs in the clubhouse and asked members to bring any supplies they may have.

TREASURER: Patrice read the report.

<u>Beginning Balance</u>	\$3,176.04
Total Deposits	239.00
Total Expenses	-586.85
Hole in One Insurance	-2.00
<u>Ending Balance</u>	\$2,826.19
Hole In One Insurance Total	-819.00
Funds in Excess of Budget for 2014	802.62

TOURNAMENT: Cheryl Waters informed members that the September tournament, the Individual Eclectic, sign up would be posted at the end of July. No theme has been decided yet.

HANDICAP: No report

SWGK Gen. Meeting Minutes 6/5/14 p.2
