50/50 raffle: \$90.00 was collected. \$45.00 to the club and to one winner which was Mary Jo Conrad.

Old Business: at last month's meeting there was discussion pertaining to Hole 16. The lower tee box was being considered to be the tee box for flight C and D. After talking to the club course management and according to the rules people – it can't be changed and therefore there was no vote. The result of changing it would affect the rating of the course for our club and therefore it can't be done.

Caryl talked to Taro and the management agreed to cut back the weeds and underbrush down below so we can have better access to getting any balls that may go down there.

It was brought up that maybe there could be a drop zone down pass the weeds but it was determined that it was too dangerous for the ladies to walk down there. It was also mentioned that the lower tee box could be used as the drop zone. Further research and discussion will be held at the June meeting.

Free Round of Golf: Won by JoAnn Robinson

Meeting adjourned at 8:17 a.m.

Respectfully submitted by  
Anita Thibault  
Secretary
