

SHORECLIFF GENERAL MEETING

JUNE 1ST, 2017

Present:

Caryl Prukop – President, Jill Cagle, Leslie Nolan – Vice President, Anita Thibault – Secretary, Terry Moher – Treasurer, Suzie Lundin, Marrietta Payne – Tournament, Vicky Vieley, Linda Barry – Membership, Sandie Adams – Handicap.

Meeting was called to order at 8:03 a.m.

Vice President: Jill and Leslie stated that the luncheon following the Red and Blue tournament will be a barbecue. The cost will be \$10.00 and they are collecting for it now. They were glad that everyone like the last luncheon which was a Taco Bar.

Tournament: Suzie talked about the Red and Blue Tournament that will take place on June 15th and 22nd. You must sign up by June 8th so they can put the teams together based on the handicaps. You must play both days of the tournament. There will be appetizers served after the golf on the 15th. The entry fee will be \$5.00. There is also a sheet to sign if you will be following the field on one of those days.

Secretary: May General Meeting Minutes are posted in the locker room.

Treasurer: Terry spoke to the club about the Championship plaque that is in the locker room. The last name on there is from 2012. We are going to update it with the names of the champions since then. The trophy in the showcase has them but they are on the back and not visible to anyone. We will also have a picture of the current winner in a nice frame and display that along with the trophy in the showcase.

Membership: no report

Handicap: Sandie congratulated everyone on posted correctly and to keep up the great job.

The GHIN system which is under the WPLGASC is going away and will be incorporated under the USGA. It will all be under one system now. We will post be the same but we will use the USGA instead of GHIN to do that and receive our handicap from them.

Rules/Old Business: Hole #16 is going to remain the same as we currently play it. There will be no drop zone or using the lower tee box as an alternative to the current tee box.

Sunshine: no cards have been sent out but if you know of anything with any members, please get in touch with JoAnn so she can send a card out.

Awards: Patti Shaw received her pin for breaking 100. Yeah Patti.

Ringer: no report

New Business: starting in September, the club will begin an experimental 9-hole game. It would still be on Thursday but would begin around 10:30 am. The fee would be \$20.00. You would play the front 9. There would be no game of the day and you would sign up for it the week before like you do now. By doing this we would be opening it up to people who only want to play 9 because of injury, illness or just feel like 18 is too much. It may also help the club bring in new members. They would still have to qualify but we would use 2 rounds of the 9-hole score to calculate establishing a handicap. By the time the women who are playing 18 holes finish, the ladies playing 9 should be finish as well and then we all can socialize together.

We are also going to be putting up flyers in the locker room stating different golf situations. Example: if Sally is in the bunker and there is a pebble next to her play – how is it played? They would be fun but informative posters and it would liven up our old locker room.

50/50 Raffle: \$145.00 was collected: \$75.00 went to the club and we had two winners of \$35.00 each. Bridget King and Judy Thorndyke were the winners.

SWGK General Meeting 6/1/2017 Page 4

Free Round of Golf was won by Sandie Adams.

The meeting was adjourned at 8:30 a.m.

Respectfully submitted,

Anita Thibault
Secretary
