Membership: Vicky welcome Anne Lechleiter as a new member to our club and welcomed back Carol Vander-Haeghen after her surgery.

Tournament: Cheryl announced that the Red and Blue tournament will be on Thursday January 11th and Thursday, January 18th. Please make sure you sign up for this fun tournament. They will send out a notice before the 1st day of play to let everyone know which team they are on. There will be a \$5.00 entry fee.

Handicap: no report

Committees: Caryl welcomed all the committees and thank them for their work this past year and the upcoming year.

New/Old Business:

Taro (golf club manager) spoke to our club. He sincerely thanked all of us for our support throughout the year. The management really appreciates all our business and the effort we put into working with them on things.

He wanted to give us an update on the ongoing work being done on the course. They are working on removing all the non-native trees and shrubs around hole 18 and cleaning up the course to reflect that. There will be a stream running along there and it will be marked with white stakes with a green top to indicate an environmentally sensitive area. He also spoke about the ongoing debate/setbacks that are occurring between the contractors/coastal commission and city regarding finishing the design on the old 5th and 6th hole. He also addressed that a new clubhouse and the senior living construction is still on the agenda but cannot give us any timeframe for that. Again, he really thanked us for our patience and support through all this construction.

50/50 raffle:

\$140.00 was collected:

Two winners: \$35.00 each to Sheila Kelly and JoAnn Robinson
