Handicap: Sandie attended a training session at Pala Mesa conducted by the SCGA. It was very informative. She also mentioned that everyone in the club should have received an email from SCGA that included your SCGA number on a printable card and a gift card to Roger Dunn. She also informed members who belong to multiple clubs that by mid-February you can go to their website and apply for your refund if you belong to two or more clubs. She will send an email via Anita out to the club to let you know that it is available.

Tournament: There is a sign-up sheet in the locker room for members to sign up for the Partners Eclectic on the 15th and 22nd of March. You and your partners cannot have more than an 8-stroke difference.

It was also presented that starting with the Red and Blue tournament next year, the tournament chair will be able to substitute someone from Follow the Field with a similar or same handicap if one of the partners can't play due to illness or unforeseen events. This will help keep the sides even and eliminate all the burden from one player if her partner can't play. This is not to be a planned event between the partners but to be used only at the tournament chair's discretion.

Committees:

WPLGA: Linda Daily (our representative) was not present at the meeting but sent the following regarding WPLGA. They will not be producing a book for 2018 or mailing printed copies for events. March local play day is March 8th at Arroyo Trabuco for \$75.00 per person, Glen Annie for \$53.00, Mt. Woodson, \$39.00 or San Dimas Canyon \$37.00. All entry forms will be available on the website.

Rules: Cindy Van Rooyen will be presenting and discussing a golf rule about certain holes here at our course or some general rule. At this meeting she discussed hole #4 – GUR, Hole #18 – hazard, and hole #16 – local rule. She also printed up the rules and passed them around at the meeting and Anita will send them out to the members in pdf file form.

Sunshine: Please let JoAnn know if she needs to send a card out to anybody.
