**TOURNAMENT:**

Cheryl brought up the problem we are having with members pulling numbers for play and not calling or showing up for play the following week. This is causing extra work for the weekly Chairpersons. In addition, Bryan in the pro shop is doing double duty by setting up carts and collecting money at check in and is not always available to answer the phone. Everyone was reminded to call the Chairperson by Wednesday, 5pm to cancel, if possible. If cancelling on Wednesday is not possible, then e-mail or text the Chairperson early Thursday morning of your cancellation. Consequences to not following the rules will be sent out to the Membership during the week by The Tournament Chair.
