Sandie also shared our club will now be on the SCGA website when someone looks for a club in San Clemente our women's group will come up with the important particulars. Mary asked if our Facebook page could be attached and Sandie agreed to check.

Also, we will pay our SCGA dues directly to SCGA beginning this year. SCGA will notify each individual at their one-year anniversary.

**Rules:** Cindy explained now that we have sand in the bunkers be sure to rake after your shot. Leave the rake outside the bunker. You can ground your club in the bunker but not near your ball. You may not do anything that would improve your lie, ( in the bunker or on the course), i.e. if your ball sits in a previously unraked footprint it must be played from there. Another good joke was shared!
