

SWGc GENERAL MEETING MINUTES
September 5, 2024

Meeting was held at Shorecliffs Golf Club.

PRESIDENT: Vicky Vieley

Welcome back to everyone, new and longtime members.

Another reminder to members to arrive ½ hour before scheduled tee time. It is possible to go out earlier when everyone has checked in and ready to go. It is disrespectful to the course and club members you are playing with to be late.

The need to create a flyer to join our Women's Club was discussed. Carolyn Sherman volunteered to make the flyer. Thank you, Carolyn for stepping up!!

The club policy of playing music while playing golf was discussed. It was determined that music is not allowed while golfing with the club.

The current board members over-extended term expire at the end of the year. Please consider taking a position on the board for 2025. Instructions for the positions are available. We encourage your involvement.

VICE PRESIDENT: Christmas party menu is in progress.

TREASURER: Carolyn Sherman

Budget is on track.

WPLGA awards for the first quarter have been given out. Everyone is encouraged to join next year. It's fun playing at different locations once a month.

HANDICAP: Mary Willenborg

Remember to post your scores correctly and make sure the scorecards are given to Mary.
